

## Birmingham & Solihull Health App

### Discover how easy it is to manage your healthcare with the Birmingham & Solihull Health App

- ✔ Book and manage your GP appointments 24/7, wherever you are
- ✔ Quickly and conveniently order repeat prescriptions
- ✔ See your health record and check test results
- ✔ Check your symptoms using the online symptom checker

All without having to make a single telephone call.

You can also link children or anyone you care for to your account so you can book appointments and order prescriptions for them too.
